

## TRAVIS PERKINS TO TRANSFORM DEPOT INTO STUDENT HOUSING

Unite and Travis Perkins have teamed up to create a student housing development in King's Cross, NW1.

The student housing specialist and builders' merchant have submitted plans to Camden council for a 564-bed block to be built above a redeveloped Travis Perkins depot.

Plans for the 154,000 sq ft scheme have been drawn up by architect Bellis Cooley. CGMS is advising on planning.
